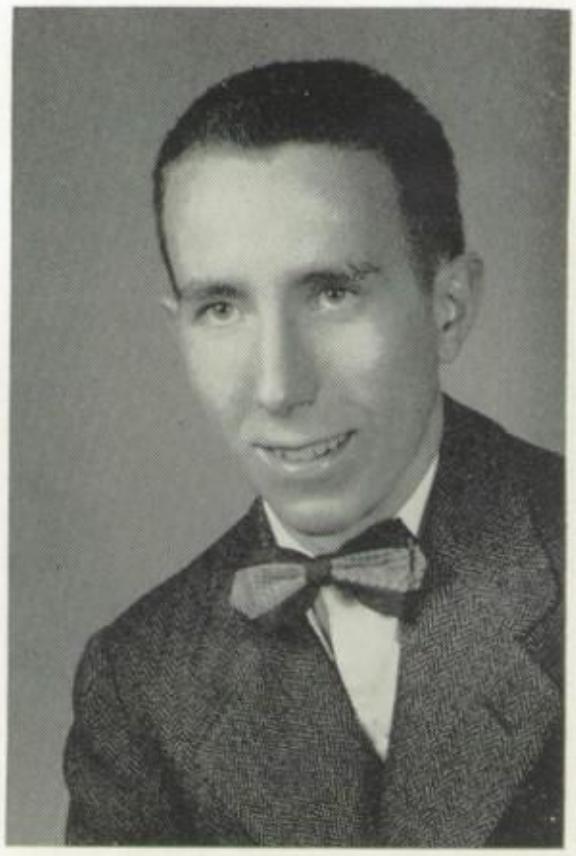
"VIC" THE VIKING

DEDICATION

In sincerest appreciation we, the class of 1955, do hereby dedicate this edition of the No Ca Hi "Viking" to our friend and senior advisor, Mr. Dobson. Our most heartfelt thanks are due him for his understanding advice and faithful service during the most crucial moments of our class history. His name will be forever linked with our fondest memories of the class of '55.

MR. DOBSON

"Dad"



ALMA MATER

Our strong band can ne'er be broken,
Formed in N. C. High;
Far surpassing wealth unspoken,
Sealed in friendship's tie.

High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for N. C. High.

Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true
When we from life shall part.

FOREWORD

We of the "Viking" staff of 1954-55 are most happy to present this edition of the yearbook, hoping that its contents will prove to be a lasting and accurate record of this, our last year at No Ca Hi. We hope that future staffs will gain as much experience and enjoyment as we have had in the past year.

Following a new trend begun last year, the graduating class of 1955 has been placed at the end of the annual. Other new features are a senior index and a page of contents. This year a two-color scheme was used in the book for the first time.

We hope that little "Vic," our mascot, will be a helpful guide as he leads you back over some of the brighter moments of 1954-1955. In years to come, we hope he will always recall fondest memories of our years spent in the Viking ship.

VIKING STAFF

The annual staff gets our vote for being the busiest organization in No Ca Hi during the past year. These students have worked long and hard to make the 1954-55 "Viking" one to be remembered for many years to come.

This year's staff has had a generous helping of the trials and tribulations that have plagued annual staffs for years. They have also experienced the sense of satisfaction that comes at the completion of a job well done.

The business staff has done an unusually fine job of selling both annuals and advertising copy this year. They have sacrificed many of their Saturdays to raise the thirty-eight hundred dollars necessary to put an annual to press.

Acknowledgements are due our photographers, the Troup & Pluto Company; our engravers, the Canton Engraving and Electrotyping Company; and our printers, the Standard Printing Company, all of Canton.

MARILYN A. DEMPSEY

WELCOME ABOARD MR. MALONE

The 1954-55 academic year was Mr. Malone's first at the helm of the Viking ship. He came to us from Copley, where he had served fourteen years as Superintendent of Schools. Previously he had been Principal of East Liberty Elementary School and of Copley High School. His teaching experience was gained at Smithfield, Macedonia, and Norton High School in Barbarton.

Mr. Malone is a native of Harrisonburg, Virginia, but moved to Ohio, where he received his high school diploma from Smithfield. Our Superintendent holds a B.S. in Education from Ohio Northern University, where he majored in history and minored in biology, mathematics, and physical education. Mr. Malone's graduate work for his M.S. in Education was taken at Akron University, where he specialized in school administration and psychology. He has taken graduate work toward his doctorate at Duke University in Durham, North Carolina, and at Western Reserve University in Cleveland, Ohio. Mr. Malone has also attended several educational workshops at Ohio State and Kent State Universities.

Mr. Malone's membership in Kappa Delta Pi, national educational honorary, is indicative of his outstanding professional abilities. As a devoted father of two school-age children, his personal interests embrace the quality of our school and educational program. Our Superintendent's friendly smile, far-seeing planning, and unlimited enthusiasm are inspiring and encouraging to both faculty and students.

PRINCIPAL

H. WAYNE RUSSELL

At the completion of the 1954-55 school year, Mr. Russell will have served as principal of North Canton High School for sixteen years. We believe that the years spent under his guidance have been sixteen of the best No Ca Hi has ever known. Mr. Russell has done an outstanding job of serving his school and community; he has earned the respect of young and old alike. He has tried to keep in close contact not only with the student body, but with the parents as well.

Mr. Russell received his Bachelor of Arts degree from Defiance College and his M.A. from Ohio State University. He began his career as principal at Lyons, Ohio, where he served for one year. He next served five years at Chesterfield Township High School in Fulton County, Ohio. He came to Stark County in 1938, accepting a position at Canal Fulton for three years. He moved to North Canton at the beginning of the 1938-39 school year, teaching general science, chemistry and speech during his first year here. After becoming principal of No Ca Hi in 1939, he continued to teach several classes also. This year is the first that he has not taught at least one subject. During his career, Mr. Russell has coached both athletics and debate, and has taught almost every subject in the fields of social science, mathematics and physical science.

BOARD OF EDUCATION

North Canton is justly proud of the fine record of its Board of Education. These men spend much of their valuable time in improving our school. They hold a meeting the second Tuesday of every month, with various special meetings called throughout the year. This year Mr. Braucher was elected president of the board; Robert Kreighbaum, vice president; and Richard Davis, clerk.

No Ca Hi students can be thankful that their education is in such capable hands as these.

COOKS

Every day several hundred hungry Vikings storm to the grade school for hot meals prepared by these energetic ladies. We appreciate their good food and ever-ready smiles.

BUS DRIVERS

"Through rain or snow or sleet or hail, the buses must go through" could easily serve as the motto of our transportation department. The bus drivers faithfully deposit quite a large number of the student body at the portals of old No Ca Hi everyday.

We also have these capable people to thank for those extra trips to athletic and musical events.

DEBATE

Debate is becoming an increasing popular extra-curricular activity here at North Canton. Few other organizations in the school are capable of giving a student such valuable training for the future.

Debate not only develops a person's poise and speaking ability, but enriches his knowledge and enables him to see the two sides of every question.

"Resolved: That the Federal Government should initiate a policy of free trade among nations friendly to the United States" was the question for debate this year.

The varsity debaters for 1954-55 were John Norris, Roy Newell, June Harpold, and Sandra Shaw. The team placed first in the tournament held at North Canton in December, and won the third-place trophy in the all-state tournament in March. There was also an excellent freshman team this year which placed first in a tournament held at Jackson.

NATIONAL FORENSIC LEAGUE

The National Forensic League is a national organization for speech students. The North Canton chapter of N. F. L. was chartered on January 31, 1946, with 13 members. During the last nine years, the organization has grown steadily. This year, 13 new "speechers" were added, bringing the present membership to 30. To gain entrance to the N. F. L., a student must earn at least 20 points in debate work, oratorical declamation, dramatic declamation, humorous declamation, original oratory, or extemporaneous speaking. These points are acquired by participating in contests against speakers from other schools or by giving service speeches throughout the school and community. Several of our members have over 350 points. This year's N. F. L. officers were John Norris, president; June Harpold, vice-president; Evelyn Chenot, secretary; Arletta Mohler, treasurer; Roy Newell, publicity manager.

SCHOLARSHIP

This group of students might appropriately be labeled the "brain-trust" of No Ca Hi, for they represent the scholarship team which was sent to Akron University last May to compete in the district-state finals. Quite a few came back with district ratings and several placed in the state competition.

During April a large number of No Ca Hi's student body take examinations in one or two subjects, hoping to gain a place on the local team. Only the students with the two highest scores in each subject are accepted. These people, along with those who placed on the team this year, deserve much credit for the fine efforts they have put forth.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization composed of students who are noted for their outstanding citizenship. A committee of faculty members chooses the new members to be inducted into the society each year. To be considered for membership, a student must maintain a scholastic average of 85 or above, demonstrate qualities of leadership, render service to his school and community, and possess a character of high caliber. The society's major duty is to regulate the monitor system.

Twelve new members were admitted into the society this year in an assembly before the student body. For the first time in the history of No Ca Hi, parents of the present and incoming members were invited to the ceremony. The guest speaker was Mr. Malone, our own superintendent.

STUDENT COUNCIL

Four years ago an organization "of the students, by the students, and for the students" was begun at No Ca Hi. Although it is still very young, this organization has grown to become one of the finest in the school. The representatives are chosen by their classmates to present the student body's view on various questions which arise during the year.

During the 1954-55 year, the Student Council sponsored excellent student assemblies on Christmas and Veterans' Day, took charge of the election of the Homecoming Queen, bought several concession machines for the school, and sponsored buses to our football and basketball games. Officers were Joe Cline, president; Roy Newell, vice-president; Kathleen Wise, secretary; and Nancy Lenz, treasurer.

MONITORS

No Ca Hi's monitors are chosen by the National Honor Society. The members themselves try to fill as many posts as possible. In order to maintain good discipline in the halls, the N. H. S. tries to select students who are reliable and who hold the respect of their fellow students. There are four regular monitors and one alternate for each period.

In keeping with the monitor system which was first put into effect last year, a person passing through the halls must present his pass to each monitor and sign each monitor's pad.

LIBRARY STAFF

"Service with a smile" is the unofficial motto of this organization. The library staff consists of twenty-five girls, chosen by Mrs. Hammack, our school librarian. Under her guidance, these girls have become quite efficient at helping the student body and faculty in their quest for knowledge.

COMMERCIAL CLUB

This organization of forty members consists of those students who are enrolled in business subjects, including Shorthand I and II, Typing I and II, secretarial studied and Bookkeeping I. The club is intended to give the students an overall view of the business world in order that they might perform their own particular jobs in this field with more ease and intelligence.

This year the club visited the Hoover Company, Western Union, Ohio Bell Telephone Co., and the Farm Bureau Insurance Co. Officers for 1954-55 were Carole Monzione, president; Nancy Lenz, vice-president; Ronnie Mason, treasurer; Barbara Clouser, secretary; Peggy Powers, parliamentarian; and Margie Shenk, historian.

JUNIOR RED CROSS

Because of the staggered schedule, this group found it very difficult to hold meetings during the year. In spite of this, however, they managed to be as active as usual. They collected almost fifty dollars in the annual Red Cross donation campaign; they made favors for Aultman, Mercy, Timken-Mercy, and Shadyside Hospitals; they packed sixty boxes to be sent overseas. Hallie Boerngen, Susan Clatterbuck, and Kathy Wise were our representatives to the monthly meetings of the Canton Red Cross Council. Officers for 1954 were Kathy Wise, president; Hallie Boerngen, vice-president; Calor Fisher, secretary; and Nancy Sautters, treasurer. Mrs. Oswald is the advisor for the group.

SCIENCE CLUB

In its second year of existence, this group of aspiring scientists was again very active. Their projects were directed by Mr. Dobson and Mr. LaHue. The club is open to students in grades eight through twelve. This year there were twenty-six members. They spent most of their time working on individual scientific projects. Several field trips, such as a visit to the Weather Bureau of the Akron-Canton Airport and a planetarium display at the Canton Art Museum were undertaken by the group. Several of the club's completed projects were taken to the annual NEO Science Day at Kent State University during April. Officers for the year were Stuart Smith, president; Eugene Strausser, vice-president; and Bob McCleaster, secretary-treasurer.

HOME ECONOMICS

The Future Homemakers of America have had another busy year. The Junior and Senior Home Ec. Club held a tea for the faculty, had a pizza party, saw "Annie Get Your Gun" at the Players' Guild, and ended the year with a picnic in May.

The Freshman-Sophomore group had a roller skating party, visited Nick Barry at WCMW, saw movies taken in Europe by Miss Thompson, a teacher at the grade school, and had a Christmas party.

Besides learning the fundamentals of building a good home, these girls have spent a great deal of time putting their talents to use for others less fortunate than themselves. For example, the Junior and Senior girls baked cookies and presented a musical program for patients at Massillon State Hospital, and made favors for local hospitals at Easter. The Freshmen and Sophomores prepared a Thanksgiving basket for a local needy family, went Christmas caroling, and also made Easter favors for local hospitals.

"COMMENCEMENT"

Another job well done! That's our description of the play, "Commencement," a three-act comedy presented by the junior class on January 14.

The real "hero" in this play was the high school itself. The plot contained many of the problems one might expect to encounter during an average year at the typical American high school. Many of the scenes paralleled actual experiences of the high school actors and actresses themselves.

The play's romantic interest revolved around Ellen Stone, the high school secretary, and Tom Carver, a young teacher. The problems of Alan, accused of being a thief; Julia, who thought everyone hated her because her father had been a criminal; and Sally, who couldn't seem to get a date, presented additional humor and excitement. However, after many trials and tribulations, everything finally worked out for the best.

MAJORETTES

The majorette lineup this year included eight girls, freshmen through seniors. These girls could always be counted on to turn in an outstanding performance. Their clever and well - executed dance routines were especially appreciated by the student body. The spirit and enthusiasm of these girls proved to be a great inspiration to the rest of the band.

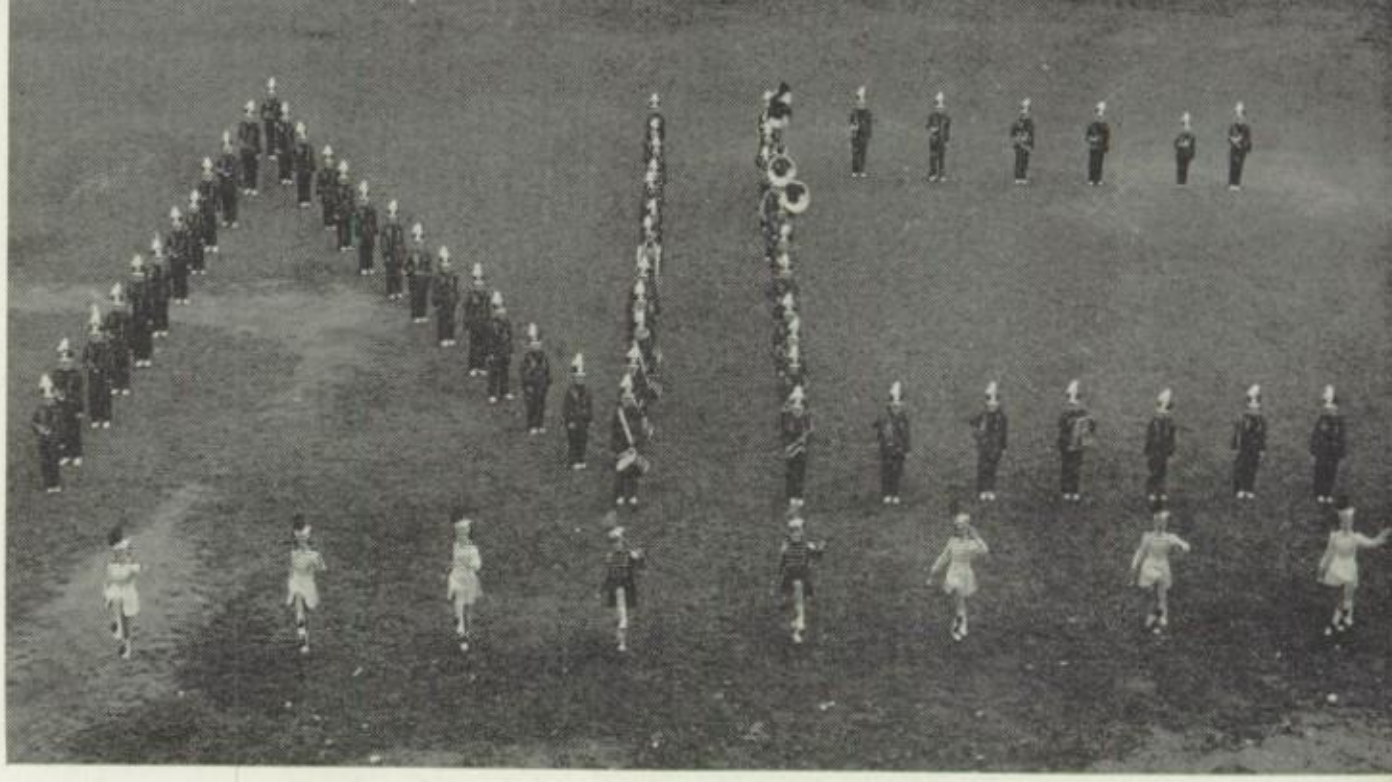
BAND



Instrumental music has long been one of North Canton's most traditional activities. As a marching unit, the band was received with its customary enthusiasm during the football season. Its skits at half-time were delightful to hear and see.

At the close of the football season, the group added several more members to perform as a concert band for the rest of the year. They shared a concert with the orchestra and gave a performance for the P. T. A. during April, and in May they participated in the annual state music contest at Marion.

John Wheeler is director of the group, which includes students from grades seven through twelve.

ORCHESTRA

An organization boasting over fifty instrumentalists, this group was especially busy the past year. North Cantonians have come to expect performances of high caliber from this group and they are very seldom disappointed.

This year, the orchestra combined with the choruses to present the operetta and the Christmas program. The group also shared a spring concert with the band and performed for the senior class play. They competed in the annual state music contest held at Marion, Ohio. The orchestra concluded its season by rendering once again the familiar strains of "Pomp and Circumstance" for the departing "class of '55."

STRING QUARTET

Harriet Schmitt, Carole Riehl, Marjorie Shenk, Jackie Sammeter.

This year, four senior girls formed a string quartet, the first at No Ca Hi in five years. During the year they played for the Parent-Teachers Association, provided dinner music for a Rotary Club banquet at Shady Hollow Country Club, and took part in a program at the Old Folks Home. All their performances were enthusiastically received.

The group is under the supervision of Miss Harkins. Becky Kintz is their accompanist.

TRUMPET TRIO

These three girls are one of the busiest and most popular musical groups in the history of No Ca Hi. During the two years since their organization, they have performed for many activities throughout the school and community. This year, for example, they were featured in the band concert, performed between acts of the senior play, entered the talent show, and entertained the American Legion Auxiliary, the Women's Christian Temperance Union, the Senior Women's Club, and the Mothers' Study Club.

The trio is accompanied by Shirley McIntyre.

OPERETTA

WITH NANKI-POO AND YUM-YUM HAPPILY MARRIED AND KATISHA FINALLY SNARING A MAN, THE MIKADO AND THE CHORUS JOIN IN THE FINALE.

"THE MIKADO"

The outstanding event in the vocal department this year was the presentation of Gilbert and Sullivan's "The Mikado," a Japanese operetta in two acts. The first operetta to be given at No Ca Hi in six years, it was one of the most successful programs ever undertaken by our school.

The story opened as Nanki-Poo, son of the Mikado (emperor of Japan), having fled from his royal home to escape a marriage to Katisha, assumes the disguise of a minstrel in a traveling band. He soon meets and falls in love with the maiden Yum-Yum, but is unable to marry her because she is engaged to her guardian, Ko-Ko, the lord high executioner.

Meanwhile, Ko-Ko, who has beheaded no one since accepting the post of lord high executioner, receives a notice from the Mikado that unless he finds a victim within the next month, he will have to decapitate himself.

Nanki-Poo, in despair over the loss of Yum-Yum, is about to end his life when he is interrupted by Ko-Ko. As Nanki-Poo is determined to die, the lord high executioner asks him to be his victim a month hence, on the condition that he may marry Yum-Yum immediately.

But the next day a law is discovered which states that when a married man is beheaded, his wife must be buried alive. Yum-Yum naturally hesitates to marry Nanki-Poo under these circumstances.

Ko-Ko cannot bear to kill Nanki-Poo so soon, so he makes out an affidavit stating that Nanki-Poo is dead, and tells him that he and Yum-Yum must be married and then flee the country.

When the Mikado and Katisha arrive unexpectedly on the scene, they learn of the execution of Nanki-Poo and inform Ko-Ko that he has killed the heir to the Japanese throne. Japanese law demands that Ko-Ko be punished by death.

Ko-Ko tells Nanki-Poo, just about to leave on his honeymoon, that he must "come to life" again for the Mikado. Nanki-Poo refuses to do so as long as Katisha is single, for unless she marries someone else, he will be punished for not marrying her himself. Finally, Ko-Ko is persuaded to woo Katisha, who accepts him. Nanki-Poo and Yum-Yum appear before the Mikado and are forgiven.

Many hours of diligent practice were put in by the students who took part in the operetta, but the results were well worth the effort. We wish to extend special congratulations to Mr. Lotze for the outstanding performance of his vocal department. A vote of appreciation is also due Miss Bayer and Miss Bahler, the hard-working drama coaches. A very fine orchestral accompaniment was provided by Mr. Wheeler.

The 1954-55 Girls' Glee Club was composed of one hundred and ten girls from the upper three grades. The group constituted a balcony choir in both the operetta and the Christmas concert. The Glee Club was especially active during the Christmas season. Besides taking part in the concert, they sang for PTA and the local arrival of Santa Claus, and caroled through the halls of the high school building.

This group represented No Ca Hi at the annual state music contest this year, walking away with top honors.

MIXED ENSEMBLE

This year, No Ca Hi once again boasted a Senior Mixed Ensemble. These talented warblers practiced two or three times a week under the direction of Mr. Lotze. They gave performances for the Massillon Women's Club, the Board of Directors of the Community Building, the North Canton Music Association, the Wooster concert, and the Class Night and Commencement exercises.

MIXED CHORUS

Variety was the keynote of the Mixed Chorus repertoire this past year. A comic operetta, "The Mikado," by Gilbert and Sullivan, was presented with great success during the fall. Once again a public performance of the "Song of Christmas" was given, with former chorus members of the class of 1954 being invited to participate again this year. During the spring an exchange concert was held with Wooster High School for the first time. The chorus was directed by Mr. Lotze, who receives our deepest appreciation for the time and effort he has spent in making the group so successful. The accompanists for this year were Shirley McIntyre, Becky Kintz, and Ruth Adams.

First Row: Kintz, Dornhecker, Willaman, Nelius, Austin, McIntyre, Riehl, Speicher, Beamer, Clark, Monzione, Tewanger. *Second Row*: Shaw, Gillespie, Hagenlocher, Lenz, Ebie, North, Wahl, Harpold, Weikel, Williams, Honnold, Kogel, Paige, Currie, Schafer, Holder, Mathias, Shenk, Haak, Tschantz, Schmitt. *Third Row*: Miller, Swope, Miller, Thomas, Ketterer, Spence, Sammeter, Marquardt, Johnson, Evans, Girard, Zimmerman, Livingston, Greenho, Warburton, VanDyke, Edwards, Miller, Egbert, Chenot, Fryer. *Fourth Row*: Kokert, Adams, Terrigan, Lennon, Lehman, Duryee, Burkhart, Swann, Storch, Foltz, Herdlick, Kaufman, Mason, Lenarz, Scanlon, Cline, Luginbuhl, Sweany, Riggs, McClintock, Castle, Sturm.

FRESHMAN MIXED CHORUS

This group represents the "baby" in the high school's musical family, being the youngest and newest addition to the vocal department. During the year, these freshmen, besides learning to sing together as a group, became well versed in the basic principles of music. No Ca Hi is quite fortunate in having an organization in the school which gives such vital experience to the underclassmen, who in another year or two will be taking their places in the Mixed Chorus and Girls' Glee Club. This year the group took part in the operetta and Christmas program, sang for Baccalaureate, and entered a junior high music contest at Massillon on May 7.

SIGMA TRI-HI-Y

The junior and senior girls held meetings every other Tuesday this year. Among other activities, they sponsored a Holiday Fashion Show, made Christmas favors for Shadyside Hospital and Twilight Rest Home, held a gym night, a pizza party, a taffy pull, a pot luck supper, and sponsored the Valentine Dance. Venita Riggs, vice-president of Sigma Tri-Hi-Y, was crowned queen of the latter. They also took part in a Sunday religious service for the County Home, the Lenten services, and the annual induction and installation services, and helped sponsor the Snowball and Spring Frolic. The Snowball Queen was Ann Austin, president of Sigma Tri-Hi-Y.

The club sent Judy Swope, Libby Thomas, Carolyn Stouffer, and Kay Tschantz to the Northeastern Ohio Conference at Kent this year.

Mrs. William Adams and Mrs. David Turnbull were the advisers for the busy year.

EPSILON TRI-HI-Y

During the weekly meetings of the freshman and sophomore girls, they planned and organized such things as a barn dance, a gym night, a pot luck supper, a swim night, a bake sale, a CB clean-up night, a panel discussion on boy-girl relations, a taffy pull, a career night, a charm and personality course, a demonstration on hair styling, a Mother's Night, and the March Kanter. At Christmas they made favors for the Red Cross. They also took part in a Sunday religious service for the County Home, the Lenten services, and the annual installation and induction services, and helped sponsor the Snowball and Spring Frolic.

The officers for 1954-55 were Nancy Buck, president; Kathy Wise and Judy Taylor, vice-presidents; Hallie Boerngen, secretary; Gretchen Lehman and Ruth Ann Marker, treasurers; Elaine Zimmer, chaplain. Janice Fall, Linda McFarlan, Ruth Ann Marker, Nancy Buck, and Judy Taylor represented the club at the NEO Conference at Kent.

Their advisers were Mrs. Jeanne Kelley and Mrs. Viorel Stefan.

DELTA and BETA JUNIOR TRI-HI-Y

This year the seventh and eighth grade girls were divided into two clubs. Their programs were closely correlated with the following activities in both groups: gym nights, Christmas caroling, dancing lessons, a Father-Daughter banquet, a weiner roast, a scavenger hunt, a Christmas exchange, and a dance every other month. About once every month, a guest speaker talked to them on such subjects as nursing, home making, paliamentary procedure, and hair styling. Both groups wrapped cancer bandages for the Red Cross and made favors for local hospitals. Both groups also took part in the annual induction and installation services.

The Delta officers for the year were Carla Gilmore, president; Lorine Boerngen, vice-president; Nancy Hagenlocher, secretary; Polly Willaman, treasurer; Susan Willaman, chaplain; and Susan Waddell, sergeant-at-arms. The advisers were Mrs. James Miller and Mrs. Fuller Baughman.

Linda Piper was president of the Beta club; Linda Willaman, vice-president; Judy Mutchmore, secretary; Carolyn Boon, treasurer; and Mary Halter, chaplain. Mrs. Glenn Wehl and Mrs. Michael Karlo were the advisers of this group.

BETA HI-Y

This group of sophomore boys met once a week under the supervision of Myron Lewis and Yale Strausser. Their activities included movies on YMCA and our national parks; speeches on atomic power, salesmanship, and engineering; parties; and gym nights. They also took part in the induction and installation services, and helped present the Snowball and Spring Frolic. Officers for 1954-55 were Scott Powell, president; Tom Krichbaum, vice-president; and Jim Kindy, secretary-treasurer.

GAMMA HI-Y

Gamma Hi-Y, the freshman boys' club, met on Thursday evenings this year. The boys spent most of their time on the gym floor, playing basketball and learning to wrestle. Their basketball team won four and lost eleven against other Hi-Y teams. They also took part in the induction and installation services, and helped present the Snowball and Spring Frolic.

The Gamma officers were Bob Berrodin, president; Scott Begert, vice-president; and Larry Braucher, secretary-treasurer. Mr. Beuck was the advisor.

JUNIOR HI-Y

Junior Hi-Y, composed of seventh and eighth grade boys, met every Wednesday night this year. Included among their activities were basketball, swimming, hiking, camping, slumber parties, judo lessons, movies, sled-riding parties, a trip to the police barracks at Massillon, and a dance every other month. They also participated in the induction and installation services. Officers for the year were Ronnie Kindy, president; Mike Karlo, vice-president and treasurer; David Getz, secretary; and Robin Chapman, chaplain. Their advisors were Bill Schreckengost and Paul Pastor.

MR. MARTIN, MR. HERTLER, MR. SKUBAN

COACHES

This year, Mr. Don Martin took over the Viking cage helm. He came to us from Strasburg, where he had enjoyed great success. In his short time here, he has already established for himself a reputation to be envied. We wish to express our gratitude for the wonderful work he has done at No Ca Hi and look forward with high hopes to an even more successful season next year. Mr. Martin served also as the track coach and an assistant football coach.

Mr. Skuban again piloted the Viking grid machine through its season, doing a fine job of it despite an unusually tough schedule. He also coached the reserve basketball squad.

Mr. Hertler, in his second year at No Ca Hi, coached the baseball team capably. He, too, was an assistant football coach and also trained the junior high basketball squad.

Mr. Esmont put his many years of experience into teaching the junior high "footballers" the techniques they will need when they join the varsity. He also coached the freshman basketball team and helped Mr. Martin with the track team.

FOOTBALL

This year's football team has been the most-talked-about of the past few seasons. Here is a brief summary of their record:

The team won three games, lost five, and tied one. Depth was one of the greatest deficits of our squad this year. There were only twenty-six boys on the team, excluding freshmen. Injuries handicapped us several times, especially in the last game. In spite of these and other problems, we turned in a commendable season from the standpoint of spirit. After losing the first two games to Springfield and Middlebranch, we bounced back to score a victory, a tie, and two more victories. The last three games were lost to some tough opposition, but the Vikings fought them all the way. The team learned that to win you must play from your heart, something that will prove invaluable to them in later life.

JUNIOR HIGH FOOTBALL

The purpose of this program is to prepare players for the varsity team. Their time is spent mostly on the fundamentals of the game—blocking, tackling, running with the ball. They practice constantly to gain the coordination that they will need to make first string. They also learn several basic plays and the meaning of teamwork. During the football season, they hold games with other junior high teams. This year they played the Tallmadge freshmen, 0-6; Greensburg, 6-7; Middlebranch, 12-0; Greensburg, 6-0; and Massillon Longfellow, 7-27. We hope that in years to come these "small-fry Vikings" will win many games for No Ca Hi.

BASKETBALL

The 1954-55 Viking cage squad proved itself comparable to many outstanding Viking squads of the past. They compiled a record of fourteen wins and six losses during the season. Three of the latter were lost by one point; the largest deficit was ten points. In tournament play, the Vikings were eliminated in their first game by Canton McKinley, who ranked third in the state.

Our cagers were agile in all phases of the game, and had a particularly good shooting average during the entire season. They had the burning desire to do their best, which distinguishes an outstanding ball team from a mediocre one. Certainly a great deal of their success can be credited to our new coach, Mr. Martin.

JUNIOR HIGH BASKETBALL

In junior high basketball, the seventh and eighth graders learn the "do's" and "don'ts" of the game. They usually play about twenty games a year against other junior high schools.

The eighth graders, varsity of the junior high, compiled an excellent record this year, winning fourteen games and losing six. The seventh graders did not fare so well in their few games, but future years should prove them just as capable.

BASEBALL

The above picture includes the boys who were on the baseball team last spring. These boys set a better than average record for themselves with a total of six wins, four losses. In consideration of the fact that their schedule included such teams as McKinley, Lincoln, Canton South, and Barberton, we think they did very well. This year's team faces the season with seven returning lettermen. The team is expected to show ample hitting power and good fielding ability. Pitching will probably constitute their greatest weakness. With some hard work and vigorous spirit, they should be able to turn in another good season.

TRACK

This year the track team faces a heavier and more competitive schedule than in previous years, in an attempt to create greater interest in the sport among the student body. North Canton will be host to some important track meets, with such teams as Sandy Valley, Lincoln, Lehman, and Louisville. We have high hopes for a very successful season. The team should be well fortified in every event and make a good showing in every meet.

The boys pictured below represent last year's team.

GAA

This organization of girl sports lovers, including freshmen through seniors, is under the supervision of Mrs. Black. This year their schedule included softball, volleyball, basketball, deck tennis, newcombe, and archery.

At the end of the basketball season, a GAA intramural tournament was held. Nine teams competed for the championship, which was finally won by the Sophomore A team. The annual GAA foul shooting contest was held during February and March. Barbara Shaheen placed first; Linda Hummel, second.

BOOSTER CLUB

The No Ca Hi Student Booster Club turned in another commendable job of "boosting" this year.

They kept the morale of the students, as well as that of the players, high at all times. The greater the challenge, the harder they tried to keep a winning spirit in the heart and mind of every Viking. Many times the odds were against them, but "Where there was no way, they made one."

THEY MADE ONE."

CHEERLEADERS

Three cheers for the cheerleaders! These girls are as important to any game as the players themselves. The cheerleaders have done a fine job the past year keeping the stands alive with encouragement for our team, whether winning or losing. We wish to thank these girls of "vim, vigor, and vitality" for the part they played in the excellent record which our school made for itself this year in sports.

HOMECOMING QUEEN

DORIS KAUFMAN

Our own "Sweet and Lovely" Doris Kaufman was crowned Homecoming Queen of 1954-55 during the Carrollton game on October 28. Her equally attractive attendants were Charlotte Haak, senior; Karin Turner, junior; Kathleen Wise, sophomore; and Barbara Boron, freshman.

At half time the queen and her court were ushered to the 50-yard line by their escorts, where Doris was presented with a beautiful crown and a bouquet of mums. Each of the attendants also received a mum corsage. The queen and her court viewed the game from a luxurious Pontiac Catalina located in front of the stands.

OPTIMIST KING AND QUEEN

JOHN NORRIS

BARBARA CLOUSER

It was a chilly night . . . October 22 . . . but in the hearts of these four young people only warmth and gaiety could be found. The moment they had awaited so eagerly arrived as lovely Barbara Clouser was crowned Optimist Queen of 1954-55, with John Norris as her handsome King. Leadership, service, dependability, character, personality, and a pleasant smile are some of the attributes for which Barbara and John were selected. Two outstanding juniors, Susan Schafer and Joe Esmont, displaying the same qualities, served as attendants.

The crowning took place during half time of the Dover St. Joseph game, which the royalty viewed from two gleaming white Corvette sports cars located in front of the stands.

CLASS HISTORY

Place: No Ca Hi. Game Time: September, 1954. Coaches: Teachers. Officials: Principal and Superintendent. Starting Team: 108 Fighting Freshmen.

First Quarter: All the members of our squad learned the rules of the game and were given preliminary training in academic work. Much diligent practice was done under the direction of our skilled coaches. We took our basic training in stride, with time out during the year for dances, parties, and club activities, all of which made the game more enjoyable. Members of our team began to score in the athletic, speech, and music departments, as well as in the classroom.

Thanks to our coaches and fellow teammates, we have crossed the goal line, and are eligible to play on the team during the second quarter coming up next year.—Phil Birney.

CLASS HISTORY

Last year, as beginners on the Ship of Education, we worked hard to learn the fundamentals of smooth sailing and to clear the way for our sophomore year. Now that we have gained a little more experience, we have become co-pilots; and if we keep up the good work, it won't be long until we are pilots of the Viking ship. As co-pilots, we have helped steer the Ship of Education into the clear in biology, mathematics, English, and Latin. Many of the members of our crew also went to the rescue in Student Council, debate, scholarship, band, orchestra, glee clubs, athletics, cheerleading, and Hi-Y groups. There were parties and many other social events on board the ship for us.

Whenever we ran into trouble, we received excellent advice from our captains (class advisors).

We only hope that our years as pilots will be as exciting and successful as our year as co-pilots, and that we may steer the Ship of Education safely to the end of our journey — Graduation!

The Masterpiece of '55

Let us in our mind's eye survey the canvas before us. Notice in the background the first hesitant strokes of the brush: those represent the first days of school. See how the strokes gradually broaden and become stronger? This represents broadening interests, firmer friendships, and the beginnings of class loyalty and pride. Notice, too, that sharp line of discipline.

But let's move on to the major part of the painting — high school. Examine the long, flowing strokes of cooperation and harmony. See the shades and shadows that represent the guidance and aid of our teachers and advisers. These subtle influences play an important part in the portrait of our class. Notice here the strong, bold strokes. They represent superior athletic prowess. And these quiet, dignified strokes here are scholarship. Our musical abilities are illustrated in the tones of color and rhythm of the lines.

Let's take an objective look at this painting. That brilliant splash of color is the Junior Prom. Notice the exotic designs in the corner; they represent the operetta. This bold, dramatic figure here represents the plays in which our class has taken part. Here and there we see slight imperfections, but that is only to be expected.

But the most outstanding fact about our painting is that it appears to be unfinished. We have yet to add such achievements as the Senior Prom, the annual, and graduation to make the picture complete. But we are sure when the last stroke has dried and our signature has been affixed, that even the harshest critic will place this painting among the masterpieces of North Canton High School.—John Wills.

SENIOR CLASS HISTORY

We came into this world in 1937. In that year there was great uneasiness, because Mussolini and Hitler were on the move in Europe. In 1943, we entered into the vast world of knowledge that confronted us as first graders.

Our high school careers began in 1951. In that year we put on a Freshman-Sophomore party for the sophomores, and placed students on scholarship and sports teams.

By our sophomore year, we were thoroughly adjusted to high school life. That was the year we began to develop in the fields of music, debate, scholarship, and sports.

Our junior year was difficult and presented many problems. One of these was to raise money for the prom. We did this by selling magazines and candy. On May 8, 1954, we sponsored the Junior-Senior Prom for last year's seniors.

"Seniors," the name we all had patiently waited for, was finally bestowed upon us. As seniors, we had the responsibility of setting a good example for the underclassmen. In our senior year we added the Viking Views and the annual staff to our long list of activities.

Now, we are about to enter a strange, new world once again, and again there is great uneasiness—this time concerning "peaceful co-existence" with the communists. We go out to meet this new world with the hope that we will prove capable of facing the challenges which it offers us.

—Lenny Young.

PROM QUEEN

JANE HUSHOUR

ATTENDANT

CHARLOTTE HAAK

JUNIOR-SENIOR PROM

The Junior Class of 1954 carved a unique place for itself in No Ca Hi history on May 8 by setting aside tradition to sponsor the first open prom ever to be given by this school. Juniors and Seniors were permitted to invite as guests, students from colleges and other high schools, the only restriction being placed on underclassmen. The St. Francis Hotel in Canton was the scene of the festive occasion.

At intermission, Jane Hushour was crowned queen by John Norris, the junior class president. Charlotte Haak served as the junior attendant.

Bill Yates and his orchestra provided music for the juniors and seniors as they danced in the "Moonlight on the Caribbean."

"NEW FIRES"

Filled with down-to-earth philosophy and wholesome good humor, the senior play, "New Fires," offered refreshing entertainment to North Cantonians on Friday, March 25.

The story is about a selfish family which has apparently forgotten the real meaning of life. Stephen, the father, decides to reform his family and, in spite of protests and reluctant cooperation, he finally succeeds in doing so.

He orders them to come for a short visit to a farm in Missouri which he has inherited from his Uncle Gideon. After they arrive, he states his policy of "No work, no eat." Surprised by this course of action, the family rebels, but slowly and surely Stephen does what he has set out to do. Olive marries the town doctor and Dick takes over the farm as the curtain falls on the last dramatic efforts of the class of '55.

ADVISER

MISS BAHLER

Five issues of No Ca Hi's school newspaper were edited this year by the journalism class, under the supervision of Miss Bahler. The staff, composed of four boys and seven girls, although short on both time and money, compiled an excellent paper. No Ca Hi students will long remember the anticipation with which they awaited the latest edition of viking news and views.

Why did they sign the Declaration of Independence?

Were our forefathers just another group of radicals trying to create a government for their own gain? Or were they earnestly striving to establish a democracy of the people, by the people and for the people? The value and foresight of their words, as written in the Declaration of Independence, has been proved by the rapid progress and growth of American Democracy. What was written over 175 years ago still holds good. "—that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty and the pursuit of happiness."

Let's stick to it.

What's your choice?

EVER think about working in some far away place? Like logging in Oregon? Lobstering in Maine? Farming in Iowa? Go ahead if you want to. Freedom to work in any locality is one of your American rights. And it's a right that people in some other countries wish they had.

Millions of people behind the Iron Curtain can't work where they choose. Communist bosses make them slaves where manpower is needed most. And if they do try to move someplace else, they're very likely to end up in a box car bound for Siberia.

What's *your* choice? Freedom, of course. But there's more to preserving our rights than just thinking about them. Communists over here would give us Iron Curtain country working standards if they could. They've done it every place else they've taken over.

If we want to keep our rights, like the right to work in any locality, we've got to work for them. One way is to speak up when we hear someone talking down our freedom. After all, a few extra words from each of us could guarantee our freedom forever.

The Timken Roller Bearing Company

"The right to work shall not be abridged nor made impotent"

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

Freedom of worship
Right to secret ballot
**Right to know how your union spends your dues*
Freedom of speech
Freedom of the press
Right to criticize officials
**Right to know salaries of your union officers*
Freedom from search without warrant
Right to petition government for redress of grievances
**Right to know if your union officers are Communists*
**Right to know how your union is run*
Right to speedy and public trial by jury
Right to help of a lawyer
**Right to hear your employer's side of disagreements*
Right not to appear as a witness against yourself
**Right to refuse to permit the "check-off" of union dues*
**Right to go direct to your boss with a grievance*
Right to be presumed innocent until proved guilty
Freedom to own property
**Right to work despite union jurisdictional disputes*
Freedom to work in any locality
**Right to proper supervision of your union welfare funds*
Freedom to start and manage a business
Freedom to make a profit
**Right not to be fired by union leaders*
***Right to vote on company's best offer*

*These are rights you enjoy under the Taft-Hartley law.

**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!

make your own washday weather!

Every day (or night!) is perfect washday weather when you have an electric clothes dryer. The cost is trifling . . . you'll make it up many times on the wear and tear a dryer saves on clothes. And on *you*.
